

Make a difference in the life of a child!

FOR CHILDREN IN POVERTY, ONE OF THE BIGGEST OBSTACLES TO LITERACY DEVELOPMENT IS THE SCARCITY OF BOOKS IN THE HOME.

WE ADDRESS THIS BOOK GAP BY COLLECTING NEW AND USED BOOKS TO GIVE TO PRESCHOOLERS WITHOUT BOOKS OF THEIR OWN AT HOME.

Research shows that children with books at home who are read to at an early age become better readers and so better in school. They are 'ready to read' when they get to school, knowing how to pick up a book, open it to the first page, and turn the pages. Books at home also help kids learn to recognize words and understand connections between words and pictures. Preschoolers who don't have books at home miss out on these important lessons.
